

Privacy Policy

You certainly understand and concur that:

Ravikiran Infotech (“RAVIKIRAN INFOTECH” or “We” or “Us” or “Our”) has created this Privacy Policy in order to demonstrate own organization commitment to privacy. Throughout the cyberspace we want to contribute towards providing a safe and secure digital environment, safe information gathering and dissemination practices for all our sites.

1. Applicability

This Policy applies to **www.ravikiraninfotech.com** (“Website”) and mobile application of **RAVIKIRAN INFOTECH** but not to any other companies or organizations' websites or mobile applications to which we link. Information Gathering and Usage

2. Registration / Information

When you sign up with Website or App, RAVIKIRAN INFOTECH asks you for personal information. We may combine the information you submit under your account with information from other services / third parties in order to provide you with a better experience and to improve the quality of our services. For certain services, we may give you the opportunity to opt out of combining such information. You may provide us with certain information such as your Name, E-mail address, Correspondence address when registering for certain services such as Online Registration / Submit Educational details and background etc. This information will primarily be used for the purpose of providing personalization and verification.

3. Cookies

A cookie is a small data file that Websites or App write to your hard drive when you visit them. A cookie file can contain information such as a User ID that the site uses to track the pages you have visited. A cookie can contain information you supply yourself. A cookie can't read data of your hard disk or read cookie files created by other sites. Our Website/App uses cookies to track user traffic patterns and for the personalization feature.

4. User communications

When you send email or other communications to our Website or App, we may retain those communications in order to process your inquiries, respond to your requests and improve our services. When you send and receive SMS messages to or from one of our services that provides SMS functionality, we may collect and maintain information associated with those messages, such as the phone number, the content of the message, and the date and time of the transaction. We may use your email address to communicate with you about our services.

5. Log information

When you access our Website or App services via a browser or, mobile application or other client, our servers automatically record certain information. These server logs may include information such as your web request, your interaction with a service, Internet Protocol address, browser type, browser language, the date and time of your request and one or more cookies that may uniquely identify your browser or your account.

6. Electronic Newsletter/E-mail

RAVIKIRAN INFOTECH may circulate free electronic newsletter to its users, who voluntarily subscribe to opt the same. Users may unsubscribe themselves from availing this facility by RAVIKIRAN INFOTECH by using the link provided in every newsletter.

7. Confidentiality & Security

This Privacy Policy applies to **RAVIKIRAN INFOTECH** Website and mobile application. **RAVIKIRAN INFOTECH** do not exercise control over the sites displayed as search results, sites that include other applications, products or services, or links from within our various services. Personal information that you provide to other sites may be sent to our Website and/or App in order to deliver the service. We process such information under this Privacy Policy. We are concerned about safeguarding the confidentiality of your Information. We provide physical, electronic, and procedural safeguards to protect Information we process and maintain. For example, we limit access to this Information to authorized employees only who need to know that information in order to operate, develop or improve our Services/products/Website. Please be aware that, although we endeavor to provide reasonable security for information we process and maintain, no security system can prevent all potential security breaches.

8. Alerts

We may alert you by email or phone (through SMS/call) to inform you about new service offerings of **RAVIKIRAN INFOTECH** and other information which we feel might be useful for you.

9. Feedback

RAVIKIRAN INFOTECH's Feedback Form requires personal information of users like contact number, name and e-mail address and demographic information like their zip code, age etc. for any feedback by the users pertaining to the services rendered by **RAVIKIRAN INFOTECH**.

10. Further Improvement

Apart from the above, we may use user information to provide, maintain, protect, improve and develop our services.

11. Your Consent

We believe that, every user of our Services/products/Website must be in a position to provide an informed consent prior to providing any Information required for the use of the Services/products/Website. By registering with us, you are expressly consenting to our collection, processing, storing, disclosing and handling of your information as set forth in this Policy now and as amended by us. Processing, your information in any way, including, but not limited to, collecting, storing, deleting, using, combining, sharing, transferring and disclosing information, all of which activities will take place in India. If you reside outside India your information will be transferred, processed and stored in accordance with the applicable data protection laws of India.

12. Queries regarding the Website or APP

If you have any query regarding this Privacy Policy, you may contact at info@ravikiraninfotech.com.
